Stave Falls generates electricity for the first time

USE STAVE LAKE POWER

A BIG CONVENIENCE

ELECTRIC LIGHT IS TRULY ONE OF THE BIGGEST CONVENIENCES OF THE PRESENT DAY

It's mighty handy to be able to just turn the switch, on or off at a moment's notice. No matter where the matches are, you don't need them with

Electric Light the "Matchless" Illuminant

Electric Light is clean, economical, healthful and safe.

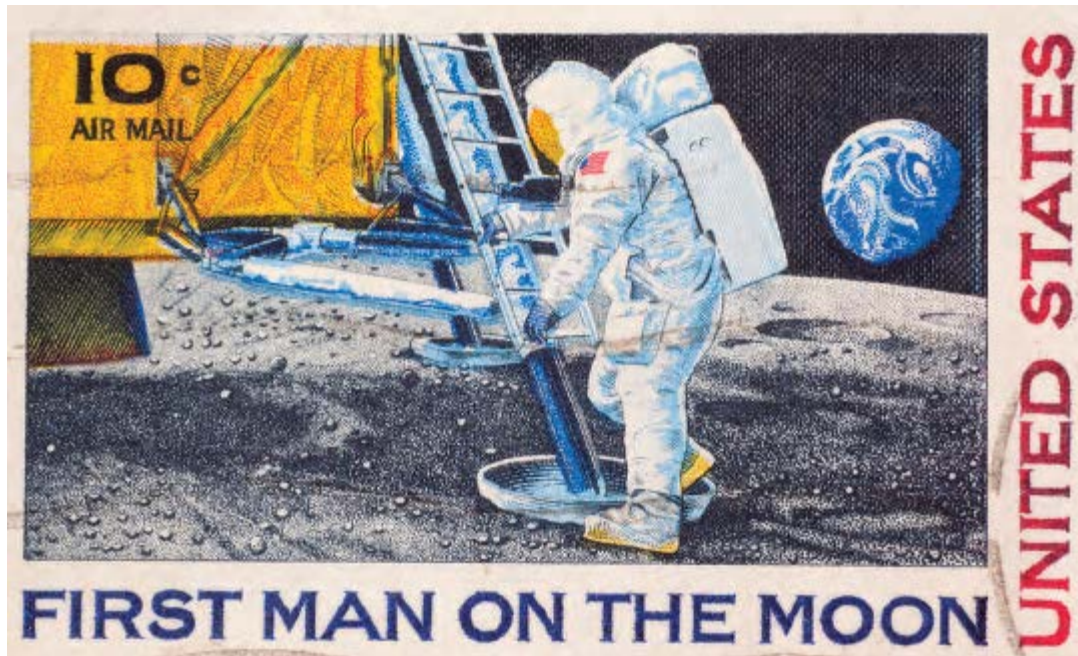

Clean-Saves decorations. Safe-Children can run the switch. Healthful-Emits no foul odors. Economical-Costs less than other inferior illuminants.

STAVE LAKE SERVICE is the best for the home, the store, the factory- anywhere that motive power or an artificial illuminant is required.
