

# Energy survey

## Power Smart for Schools®

NAMES: \_\_\_\_\_ DATE: \_\_\_\_\_

With your group, go around the school and ask teachers and students these questions about energy use at school. Add more questions if you would like.

### ASK AT LEAST TEN PEOPLE AND RECORD THEIR ANSWERS.

Question	Yes	Sometimes	No
1. Do you turn lights off when you're the last to leave the room?			
2. Do you use natural light instead of turning on a light when possible?			
3. Do you keep doors to the outside closed?			
4. Do you walk or bike to school instead of driving?			
5. Do you recycle cans, bottles and paper at school?			
6. Do you bring a reusable water bottle to school?			

Which activities are most people answering "Yes" to?

Which activities are most people answering "No" to?

Based on the results of the survey, what recommendations do you have for ways people could use less energy?
