Energy reflection

In your opinion, which methods of electricity generation have the biggest impact on the environment? Why?

In your opinion, which methods of electricity generation have the least impact on the environment? Why?

Group work self-assessment

Not often

Sometimes

Usually

Always

1

I am an active listener.
I support and encourage
the person speaking.

2

I can take on roles and
responsibilities in a group.

3

I recognize that there are
different opinions and I
can disagree respectfully.

4

I can work with others to
achieve a common goal.
